Discussion Guide

“An unquestioned faith is questionable”

KEY BIBLE PASSAGE: Matthew 11:1-11 (ESV)

DISCUSSION:

Icebreaker - When you die, what is the first question you would ask God?

Read **Matthew 11:1-11**

- Make some observations from the passage.
- Is John doubting that Jesus is the Messiah?
- In your own words, what might be going on in John's mind?
- How is vs 6 an encouragement to us as we REACH out to others?
- In vs 11, why does Jesus make these statements about John?
- How is this passage applicable to our lives?

You posture in asking questions is important -

- What is the difference between the posture of John the Baptist in his questions vs. the posture of the Pharisees in the questions they ask elsewhere in scripture?
- What questions did you need to resolve in your own heart before you received Jesus?
- What other tough questions about God might Christians be afraid to ask?
- Why do we tend to feel guilty by asking these difficult questions?
- How might this passage help us walk our family & friends through their questions about God?
